## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on July 19, 2007 has been entered.

### ***Information Disclosure Statement***

The references cited within the IDS document submitted on July 19, 2007 (paper no. 071907) have been considered.

## **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided

by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

After "August 26, 2002", insert - - now US Patent 6,756,619 - -

### ***Allowable Subject Matter***

Claims 53 and 55-61 are allowed.

The following is an examiner's statement of reasons for allowance. The prior art of record and to the examiner's knowledge does not teach or render obvious, at least to the skilled artisan, the instant invention regarding a method of forming a DRAM as recited in independent claim 53, particularly characterized by forming first and second gate stacks with first, second, third and fourth diffusion regions, in combination with a step of extending the first diffusion region with a heavy p-type dopant and extending the fourth diffusion region, without extending the second and third diffusion regions. Claims 55-61 are dependent upon claim 53. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
